

FROM HONG KONG, CHINA, DIRECT.
The editor of the N. Y. American has been favored with the following extract of a letter written by the U. S. Consul at

"Hong Kong, April 1, 1844.
"Matters and things at this island are becoming more and more settled, though many seem to be under the impression that should the trade (Chinese) leave the old seat, (Canton), it would probably be transferred to the different ports lately opened at the North.
"The sale of American manufactures, &c., find a ready market here, and will continue so for a long period.
"Mr. Cushing is still living with his suite at Macao, and they say he has sent despatches to the northward, (Pekin,) and informed the Emperor that he should soon go up the coast and make him a visit. I see no probability of his reaching, yet I hope he may.
"The frigate Brandywine is at Whampoa, having just returned from Manila. She touched at Macao on her way."

LATE FROM ST. DOMINGO.
The schr. Victorine, Capt. Bunce, arrived at New York on Monday in 18 days from Jacquenel, St. Domingo, with the following intelligence. A report had reached Jacquenel from Aux Cayes that the blacks at that place had again broken out and commenced hostilities against the yellow or half breed negroes, on account of the arrival of a great number of them from Jamaica and other West India ports. Almost every vessel which had arrived from other parts of the West Indies was full of the half-breeds returned to the island. It was perfectly healthy at Jacmel, and as far as could be ascertained, all through the island.—It was also very quiet there.

GUANO.—The Clarendon, at New York from Hong Kong, touched at St. Helena. There were several vessels at that place from the island of Ichoaboe, loaded with Guano, for England. One of them reported leaving eighty sail of British shipping at Ichoaboe, procuring cargoes, and the island was nearly half gone.

AN EXPLORING EXPEDITION IN IOWA.—The Hawk Eye of the 29th ult. states that Captain J. Allen's company, of the 1st regiment of Dragoons, stationed at Fort Des Moines, mouth of Raccoon river, left that post on the 11th August, on a march into the Northwestern part of Iowa Territory, to visit and explore the country between the sources of the Des Moines river and the Blue Earth river of the St. Peters, and the country West and Southwest from the Blue Earth to the Big Sioux river of the Missouri.

SANDS'S SARSAPARILLA.—The curative properties of Sarsaparilla, in cases of acute and chronic Rheumatism, have only recently been observed and acknowledged. It was long thought that preparations of the root could only be used successfully in Scrofula and diseases of that sort; but the highly beneficial effects which have resulted from administering Sands's Sarsaparilla, in the most inveterate cases of Rheumatism, have completely exploded that idea. Colchicum was for a time considered a specific for this disease; but it has been demonstrated that this medicine, in many instances, causes the Metastasis, or translation of the complaint to the heart. It is the direct tendency of this preparation to prevent this fatal result, by cleansing the blood from all impurities, through which alone disease can be conveyed to the seat of life. Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Wholesale Druggists, 79 Fulton st., New York. Price \$1 per bottle; 6 bottles for \$5. Agents for Washington city:—ROBERT FARNHAM, Bookseller, corner of Pennsylvania avenue and 11th street, and R. S. PATTERSON, Druggist, corner of Pennsylvania avenue and 9th street.

LOCAL NEWS.

THE WHIGS OF THE ISLAND
Purpose celebrating the 12th of September by the erection of a mammoth pole, in honor of the gallant champion and defender of the late war, and the greatest statesman of the age, HENRY CLAY, and his distinguished colleague for the popular suffrages, THEODORE FREELINGHUYSEN. The Pole will be raised to-morrow evening between 5 and 7 o'clock, on Maryland Avenue, between 9th and 10th streets, after which several addresses will be delivered. All good Whigs are invited to be present.

HIGHWAY ROBBERY.—The boot of one of the stages between Baltimore and this city was cut last night on this side of Bladensburg, and the contents (two trunks) rifled therefrom. The villains were prevented from carrying off all their booty, it is thought, by the appearance of the following stage, which picked up one of the trunks upon the road, where the driver supposed it had been accidentally dropped by the first coach, but which, doubtless, had been left by the robbers in their hurry to escape. The robbery being discovered upon reaching Hall's stage office in this city, a party immediately returned to search the road, but no traces were discernible of the missing trunk or of the robbers. The stolen trunk, the property of a gentleman of Richmond, Va., we understand, contained, besides a small amount of money, over \$100 worth of wearing apparel.

PIC NIC AT ARLINGTON.—A delightful excursion is proposed for to-morrow by the Union Guards, to the beautiful shades of Arlington, where a "Pic Nic," in regular style, with music, singing, dancing, &c., will take place, and we can safely promise those who participate, (being experienced in such things ourselves,) a "day of pleasure."

IT GRAND WHIG RALLY ON 12TH SEPTEMBER.
Another mammoth Clay Pole to be erected!—The Whigs of the District of Columbia, and those of Maryland and Virginia, are respectfully invited to attend the erection of a large Clay Pole on Massachusetts Avenue, between 9th and 10th streets, on Thursday evening next, 12th instant, between 5 and 7 o'clock, P. M. sep11

COAL! COAL!! COAL!!!

THE SUBSCRIBERS have now on hand, and will continue to receive, a superior article of ANTHRACITE COAL from John L. Butler & Co. This coal is mined near Wilkesbarre, Pennsylvania, and is known in this city as the celebrated Butler Coal, which has been highly recommended by all who have used it, as will be seen by the highly respectable certificates annexed:

I used coal last winter, which I purchased of Messrs. John Pettibone & Co., and it gave entire satisfaction. W. W. SEATON. PATENT OFFICE, May 31, 1844.

Gentlemen: The Coal that you furnished for the Patent Office during this last spring proved very excellent; and I used the same kind which was delivered at my house. It proved in both cases highly satisfactory. H. L. ELLSWORTH. Messrs. J. PETTIBONE & Co., Washington.

OFFICE SECRETARY SENATE, June 1, 1844. Messrs. Pettibone & Co. furnished a small quantity of Coal for the furnaces of the north portion of the Capitol, and it was reported to be of a good quality. They also furnished at a reasonable price for my own private use, during the last winter, several tons of the same kind of Coal, and I was entirely satisfied with it, finding but little dust from its use, and but little coal remaining than ashes, there being scarcely any cinder left. W. HICKEY.

WASHINGTON, June 25th, 1844. Gentlemen: Having used your Coal, I can cheerfully recommend it as being of superior quality for easy ignition and culinary purposes. Respectfully, WM SKIRVING. J. PETTIBONE & Co.

I purchased Butler Coal from John Pettibone & Co. last fall and found it a very superior article. W. LENOX. MAY 25, 1844.

I purchased last year, from Messrs. John Pettibone & Co., what he called the Butler Coal. I never used a finer article of fuel. When I can find the Butler Coal, I shall not inquire for any other kind, for I am persuaded there is none better. JAMES HOBAN.

DANVILLE, PENN. August 8, 1843. I have bought of Messrs. Butler & Co. some hundred tons of their Anthracite Coal; and sold to persons for different uses, and used considerable of it myself. For burning in stoves and grates, I do pronounce it as good Coal as I ever have made use of; and every person to whom I have sold the Coal say they have never used anything they liked better. JOHN C. GRIER.

We can produce many other certificates in accordance with the above. J. PETTIBONE & Co. N. B. Persons who want their Coal low, will please send in their orders immediately, as it will advance in price, owing to the great demand for manufacturing purposes. We can furnish at short notice any quantity of Hickory, Oak, and Pine Wood, at a small advance, for cash.

Orders received by William Harrover, Grate and Stove manufacturer, 7th street, and James Skirving, Stove and Grate manufacturer, 10th street, Washington city.
